EDUCATION SYSTEM

INTERACTION WITH EMPLOYER

HSE BUSINESS COUNCIL

The mission of the HSE Business Council is to promote the development of world-class education at the HSE and the development of students' knowledge and skills demanded by the labor market. The members of the Business Council include top managers of the public and quasi-public sector, private companies.

Business Council of KAZGUU Law School

An office for career, employment and professional internship has been created to interact with graduates. To date, in the framework of cooperation, KAZGUU Law School has concluded 350 agreements with various internship offices, state bodies, and private employers.

DEMAND AND EMPLOYMENT

On average, the employment rate makes up 88% during the first year after graduation, which is confirmed by pension deductions. According to this indicator, the University takes second place in Kazakhstan.

It is **#1 IN ASTANA** on employment among non-state universities.

It is also included in the list of **TWO BEST NON-STATE UNIVERSITIES** in the country for the employment of graduates.

**According to the Data Analytical Center of the MES of the RK, 2016*

RUHANI ZHANGYRU

Since 2015, the University has been implementing a project on cultural and patriotic education of students. N. Nazarbayev, the First President of the Republic of Kazakhstan, the Leader of Nation, has become its initiator. Students visit historical places in Kazakhstan. This project is of a long-term nature and is aimed at promoting national culture and history among the youth, creating a sense of patriotism at the young generation towards the eternal values of the Kazakh people. In 2017, the Center for the History of Kazakhstan and Ruhani Zhangyru was opened.

STUDY PROGRAMS DIGITALIZATION

KAZGUU University has implemented a certification program in the IT field for students from the 1st to the 4th year of study. Programming and business classes have been conducted by IT professionals as part of a Minor IT program of the Method School and the KAZGUU Higher School of Economics. The acquired programming skills have already enabled students to implement and monetize several customized projects.

PROJECT ON 'REINFORCING FORENSIC INVESTIGATION'

The Ministry of Justice of the Republic of Kazakhstan and KAZGUU University, with the support of the World Bank, are implementing a unique project on 'Reinforcing Forensic Investigation in the Republic of Kazakhstan' to enhance the institutional capacity of the Forensics Center and the transition to a model of private forensics in the Republic of Kazakhstan.

ACADEMIC METHODOLOGICAL ASSOCIATION IN 'LAW'

The only professional organization in Kazakhstan created to implement state policy in the field of education. AMA activity is to ensure the quality of university education and the participation of the academic community and employers in educational programs development.

At AMA annual meetings and research and practice conferences, experts from all over the world discuss the problems of modern legal education, staffing of the legal industry, legislative reforms, etc., working together to develop common approaches to solving relevant issues.

LEAGUE OF ACADEMIC INTEGRITY

The values of the League are honesty, responsibility, and transparency. The League's activity is aimed at promoting the principles of academic integrity at universities and implementing projects aimed at improving the quality of education in Kazakhstan.

An associate member of the League of Academic Integrity is the Agency for Civil Service Affairs and Anti-Corruption. The Agency's participation in the League's activities allows us to develop joint decisions to prevent academic dishonesty and exchange information on academic dishonesty at universities.

«ADAL BILIM» PROJECT OFFICE

Within the framework of the 'Adaldyk Alany' project and the Memorandum of Cooperation between the Anti-Corruption Agency and the Ministry of Education and Science on anti-corruption in the education system, the 'Adal Bilim' project office has been opened at M. Narikbayev KAZGUU University.

The mission of the 'Adal Bilim' project is to eradicate domestic corruption and increase citizens' confidence in the education system.

The main areas of the project office work are the prevention of corruption and the development of integrity in the field of preschool, secondary, technical and professional, higher and postgraduate education, science, as well as the analysis of regulations governing this area.

ACADEMIC INTEGRITY

According to the Agency for Civil Service Affairs and Anti-Corruption, KAZGUU University entered the **TOP-5 UNIVERSITIES** recognized as worthy examples of commitment to the principles of Academic Integrity.

EDUCATION SYSTEM

UNIVERSITY CAMPUS

This is a full-fledged complex organized in such a way as to make the educational process as efficient and convenient as possible. A crime scene simulation house for experiments, a courtroom, the well-equipped rooms of the University partners are at the disposal of students.

M.S. Narikbayev Library

It is one of the most modern multifunctional university libraries in Kazakhstan, equipped by international standards.

The book fund has about 400,000 books, magazines, documents, and full access to all world information resources.

OPEN ROOM

It is the most popular place among students. Its rooms have been provided with screens for presentations and all the necessary equipment for group projects.

CRIME SCENE SIMULATION HOUSE

The availability of technical infrastructure and unique textbooks ensures full compliance with European and international educational standards.

For the quality educational process, the house's rooms have a different focus of study in the investigation process.

STUDENT'S HOUSE

Student's House is made in a modern style with the integration of a 'house' and a 'hostel' concept.

All conditions for a comfortable stay are created. An electronic check-in application system has been introduced. There is complete transparency of processes from application to check-in.

According to the Agency
for Civil Service Affairs and
Anti-Corruption, it is a
«**Model project**»

SSC OF KAZGUU UNIVERSITY

Student Service Center has been opened
at M. Narikbayev KAZGUU University in 2014 for the first time
in the history of higher educational institutions of Kazakhstan.

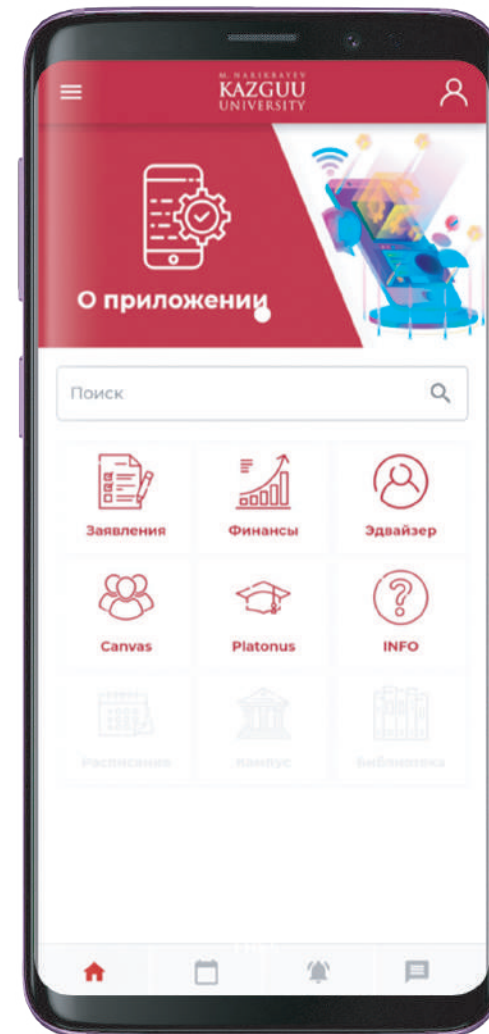

SMART KAZGUU

The project goal is to create a comfortable environment for students and staff, digitalize the campus, integrate information resources and university services in one mobile application, ensuring constant access to information resources from any part of the world.

The mobile application enables students to access the university's digital resources from anywhere in the world:

- Educational portal (Canvas LMS and AIS 'Platon' / academic adviser consultation, schedule, academic calendar, individual curriculum, etc.)
- Electronic library (AILS 'MegaPRO', federated search tool 'EBSCO discovery services', etc.)
- Electronic campus (dormitory, classroom reservation, KAZGUU fitness club, medical center, navigation map, ID card, food services)
- 1C accounting software (finance, tuition fee calculation, online payment)
- Electronic applications (filing applications, tracking the status and receiving a document in electronic format)

COWORKING KAZGUU

In a cozy and creative atmosphere, you can work on projects, hold training/ masterclasses, watch a presentation/films, organize an event or a concert, discuss issues with friends over a cup of coffee. Coworking Center is divided into zones, equipped with transformable furniture, sofas, poufs, free high-speed Internet (Wi-Fi). All the services for students are located here: the Department of Student Affairs, the Registrar's Office, Higher Schools Advisers, Manager of the Corporate Fund 'Endowment KAZGUU', financial consultant, the military registration officer

INTERNATIONAL COOPERATION

INTERNATIONAL PROGRAMS

MORE THAN 80 international agreements.

203 STUDENTS have studied abroad on Academic Mobility program.

Over the last three years, the Academic Mobility of students and faculty has been **INCREASED TWO TIMES.**

DOUBLE DEGREE PROGRAMS

Exchange semesters are available for students **IN MORE THAN 40 UNIVERSITY-PARTNERS**, as well as 4 double-degree programs that allow you to get diplomas of two universities in just 4 years.

ACADEMIC DIPLOMATIC CLUB

The club is a free platform for discussing relevant issues of international relations in the field of politics, economics, culture, and education. Its mission is to create and strengthen favorable relations between representatives of different cultures and peoples. Club meetings are held weekly and in various formats: round tables, conferences, guest lectures, business forums, business conversations, cultural events.

As part of cooperation with Erasmus, the University implements **ERASMUS +**, European Union Program for cooperation in the field of higher education, vocational training, youth and sports support.

CAPACITY BUILDING PROJECT

Enhancing the research internationalization by creating a quality assurance system under the European agenda.

ENDOWMENT KAZGUU

On March 30, 2016, the Corporate Fund 'Endowment KAZGUU' was created aimed at attracting funds in the form of contributions and gifts from graduates and various companies. Currently, KAZGUU University is the first and only initiator of social-oriented ideas that provides educational grants for representatives of socially vulnerable categories of the population, gifted graduates of schools, lyceums, 'Altyn Belgy' winners, winners of republican contests and other promising children.

During the Fund's activity,
MORE THAN 186 MILLION TENGE

has been collected,
aimed at assisting students in studying, reinforcing
the material and technical resource base, supporting
research projects of students and employees.

SPECIALLY NAMED LECTURE HALLS. BEST CASE PRACTISE

It is important to mention the experience of KAZGUU and the Endowment Fund in raising funds from companies and individual sponsors to improve material and technical infrastructure. Currently, KAZGUU has 11 lecture rooms with MORE THAN 70 MILLION TENGE.
